

BIMCO's mission:

...is to be at the forefront of global developments in shipping, providing expert knowledge and practical advice to safeguard and add value to our members' businesses.

BIMCO's vision:

...is to be the chosen partner trusted to provide leadership to the global shipping industry.

As the global home for shipping, BIMCO focuses on three main goals:

- 1 creating a level playing field for the shipping industry
- 2 supporting business through standardisation and harmonisation
- 3 delivering useful tools, information and advice for the industry

The **owner membership category** is open for companies who own, manage, operate or charter ships. Only this membership category gives access to all benefits and services from BIMCO.

BIMCO supports its owner members through three core competencies:

Delivering contracts, clauses and training:

- World leader offering contracts & clauses in shipping covering all aspects of the sector.
- Utilizing BIMCO's expert knowledge of contracts & clauses, BIMCO offers courses developing skills that support and safeguard your business. Members receive substantial discounts.
- SmartCon tool for editing authorised contracts. Members receive substantial discounts.

Shaping practical regulations, standardisation and sharing knowledge:

- BIMCO represents its members in IMO on issues such as GHG.
- BIMCO promotes technical and contractual standardisation to support an efficient and level playing field.
- Access to direct advice from BIMCO experts on environment, safety, security and navigation issues to support and safeguard the operation of your ships.
