Statutory Notifications containing Rules and Orders issued by all Ministries and Divisions of the Government of Pakistan and their Attached and Subordinate Offices and the Supreme Court of Pakistan

GOVERNMENT OF PAKISTAN

MINISTRY OF PORTS AND SHIPPING

[PORT AND SHIPPING WING]

NOTIFICATION

Karachi, the 12th May, 2010

S.R.O. 70 (KE)/2010:

In pursuance of sub-section (3) of Section 13 of Port Qasim Authority Act, 1973 (XLIII of 1973) read with Section 33 and 35 of the Ports Act, 1908 (XV of 1908) and in supersession of its Notification No. S.R.O. 72(KE)/96, dated the 2nd July, 1996, S.R.O. 64(KE) 2005, dated the 19th April 2005, S.R.O. 65(KE)/2005, dated the 19th April, 2005 and S.R.O. 66(KE)/2005, dated the 19th April, 2005, and all other Notifications issued in this behalf, the Port Qasim Authority is pleased to frame the following scale of tolls, dues, rates and charges, with the approval of Federal Government, namely :

(481)

Price: Rs. 20.50
SECTION I: CHARGES FOR THE USE OF IRON ORE & COAL BERTH (IOCB)

The IOCB shall be used, exclusively, by the Pakistan Steel Mills to import raw materials i.e., iron ore, coal, coke or manganese ore for steel production. The charges for the use of the IOCB will be recovered from the Pakistan Steel Mill at the following rates, namely:

(i) An annual rental of Rs. 272,322,600 (Two hundred seventy two million, three hundred twenty two thousands and six hundred rupees) payable quarterly in advance.

(ii) A cargo throughput charge of Rs. 14.30 per tonne of cargo handled as per ship's manifest payable before the ship enters the port limits.

General Notes:-

1. "Tonne" unless otherwise specified means the greater of
   (a) 1,000 Kgs. By weight, or
   (b) 1 cubic meter by measurement, whichever is higher.

2. Cargo throughput charge will be levied on the manifested weight rounded up to next higher tonne.

3. In the total of all bills, the figure in paisas will be rounded up to the next higher rupee.

4. The annual rental and cargo throughput charges include the charges that would have been separately levied for:
   (i) Port dues,
   (ii) Berth lee,
   (iii) Pilotage,
   (iv) Towage,
   (v) Wharfage charges, and
   (vi) All other import or export cargo handled on the berth will be subject to wharfage charges as per Section II, clause 0202.

5. Each ship calling at the IOCB carrying raw materials is entitled to the use of Authority's pilots, tugs and other vessels and equipment for one entry and one exit from, the IOCB when carried out as a single uninterrupted movement, except for the convenience of the Port. Any further movement into or out of the port or within the port limits and approaches will be subject to separate charges payable by the ship.
6. Berth fees will not be charged in respect of any vessel calling at IOC B carrying iron ore, coal, coke or manganese ore for the Pakistan Steel Mills since the Authority already charges a composite fee from them. However, if the vessel overstays at the IOC B and does not de-berth within the twelve hours of the completion of unloading, berth fee will be charged at the rates chargeable as per section IV, Scale ‘A’.

7. All services rendered by the Authority to the ship, within the exception of one entry and one exit, carried out as a single uninterrupted movement will be charged to the ship at the specified rates under this notification. A minimum deposit of one hundred thousand rupees will be required each from the ships agent and Pakistan Steel Mills to cover the charges or services as per this notification before the ship enters the port limits and approaches.

8. The Pakistan Steel Mills will be responsible for all unloading operations and all related tasks. The annual rental and cargo throughput charge do not cover the cost of any additional services provided by the Authority to the Pakistan Steel Mills, nor do they cover the cost of the provision of the public utility services, insurance and other additional services which will be charged at the actual.

9. The Pakistan Steel Mills may not separately charge any vessel for the use of any services or facilities provided by the Authority.

SECTION II WHARFAGE CHARGES

0201 General: Unless otherwise notified, wharfage will be charged on all goods landed/ shipped or passed in or out of Port Qasim bonded premises. ‘Tonne’ unless otherwise specified means 1000 kg. by weight or one cubic meter by measurement. Wharfage is recoverable by weight or measurement whichever is higher.

**Note 6.** Where a part of the consignment is confiscated by Customs, the PQA storage charges will be payable on the released quantity instead of manifested quantity.
PART II] THE GAZETTE OF PAKISTAN, EXTRA., JUNE 17, 2010

Note 7. The sheds earmarked for clearance of in-transit cargo shall only be used for storing of in-transit cargo and not for any other type of cargo.

Note 8. Unless otherwise specified dangerous and hazardous cargo will only be allowed to be stored in a designated area as specified by DG (Ops) or an officer designated by him.

Note 9. All goods including vehicles and in transit cargo must be removed from the port premises as soon as examination by the Customs has been completed. Any goods not so removed shall be at the risk of the owner and may be removed by the Port Authority at the risk and cost of the owner to a warehouse where they shall be at the risk and cost of the owner. All goods with the exception of iron not removed by their owner on the expiration of free days or within five working days of their examination or inspection, whichever is later, shall in addition to the payment of storage charges as per clause 0302, be liable to an additional storage charge of Rs. 11.00 per tonne per day or part of a day on weight or measurement whichever is higher.

Note 10. Confiscated import or export goods may be removed by Customs subject to an undertaking that PQA share in the sale proceeds will be paid as per Customs rules in vogue.

Note 11. No storage charges will be levied on damaged goods removed by the Authority for destruction provided the damage has not occurred through the fault of the consignees.

Note 12. Storage will be charged in all cases after the expiry of “Free Period” no exception being made in case of Sundays or other Holidays. However if the first day of demurrage date falls on Sunday of public holiday or due to force majeure, the demurrage date will fall on the next working day.

SCALE "B" EXPORTS

0305. Storage charges will accrue on all goods for export shipment, stored at Marginal Wharf area or other areas, except Term Storage Areas ‘A’, ‘B’ and ‘A1’ notified by the Authority from time to time, lying after the expiry of ten working days from the date of deposit and will be charged as under:

<table>

<tbody>
<tr>
<td></td>
</tr>
<tr>
<td>i. First 30 days</td>
</tr>
<tr>
<td>ii. Thereafter till clearance:</td>
</tr>
</tbody>
</table>

General Notes

Note 1. Storage will be charged from the expiration of the free period, no exception being made in case of Sundays or Holidays. In computing the free period, the date of deposit which is also free will be excluded.

Note 2. Goods deposited for shipment but not shipped will be charged storage under exports from the time of deposit and no free days allowed.
Note 3. Where wharfage charges have been levied by measurement, the storage charges will also be levied by measurement. Charges, as per this clause will be levied on a minimum of one tonne. Goods of weight less than one tonne will be charged as one tonne. Charges by measurement will be levied on a minimum of one cubic metre.

Note 4. A certain percentage of goods accruing storage charges leviable by weight or measurement may at the discretion of the Authority be weighed or measured and on the basis of weight or measurement found, the total tonnage of the goods worked out and charged for.

3006. In-transit Rates:

(a) Cargo stored in any place other than the areas earmarked for storage of cleared in-transit cargo will be charged with first slab of 20 days instead of 15 days and shall be charged as per 3002.

SCALE C: HIRING OF OPEN SPACE IN TERM STORAGE AREAS

3008 General: Hiring of the open space will be allowed in Term Storage Areas 'A' 'B' and 'A-1' or any other areas so notified by the authority on payment of hiring charges as per clause 3009.

3009 Rates:

(i) First three months Rs. 30.00 per sq. meter/month
(ii) Next three months Rs. 60.00 per sq. meter/month
(iii) Next three months Rs. 180.00 per sq. meter/month
Note 1. The minimum period of hiring of space shall be for one month applicable from the first day of placing of cargo. The total hiring charges shall be payable as per rates set out above on actual measurement to be carried out upon completion of placing of cargo.

Note 2. The hirer will be responsible to arrange measurement and payment of the hiring charges within four working days subsequent to the date of the completion of placing of cargo. The date of completion of placing of cargo will be mentioned in the measurement certificate.

Note 3. The hiring charges for subsequent months will be payable in advance within four working days after the date of re-measurement, i.e., the 1st working day after expiry of hired month.

Note 4. A surcharge at the rate of 2% per month or part thereof of the due hiring charges will be payable, as provided in Note 2 and 3 above, in case of delayed payment.

Note 5. Upon expiry of nine months, the matter will be resolved on merit with the approval of Chairman, Port Qasim Authority.

Note 6. (i) The hiring charges in this clause are not applicable in case of hiring of space in Term Storage Areas for special purposes other than placing of cargo handled or to be handled at Marginal Wharf. A flat hiring rate of Rs. 100/sq. meter/month shall be charged in this case irrespective of maximum period of hiring. However, the minimum area of hiring in this case will be 20,000 sq. meters. The payment of hiring charges will be applicable for the minimum area of 20,000 sq. meters irrespective of the actual area occupied being lesser than the minimum area.

(ii) An extra charge of 100% shall be levied in case of high risk or military cargoes.

SECTION IV - BERTH FEE

SCALE 'A'

0401. General: Berth fee is leviable for use of wharves, quays, or any other structure so erected for this purpose and is charged from all vessels at the rates as per 0402.

0402. Rates:

All ocean-going vessels

| For first 24 hours or part thereof | US $ 0.08 per GRT per day or part thereof, subject to a minimum of US $300 per day or part thereof. |

0401. General

0402. Rates
For every 6 hours thereafter or part thereof. US $ 0.02 per GRT per six hours or part thereof.

Country seagoing sailing vessels US $ 100 per day or part thereof.

Country Craft US $ 0.01 per GRT per day or part thereof.

General Notes:

Note 1. Berth fee for the first day of stay of a vessel shall be charged at US $ 0.08 per GRT per day irrespective of stay hours at the berth.

Note 2. Vessels transferred from moorings to the Wharf or vice versa will be charged the higher of the two fees for the day of transfer.

Note 3. If a vessel which had left the port re-enters the port the same day, berth fees will be charged on a pro rata basis i.e. for the time it has actually occupied the berth.

Note 4. Berth hire will start from the hour the vessel is moored at the berth and finish at the hour when the vessel is unmoored. For the purpose of levying berth fee, the part of an hour shall be rounded off to the next higher hour.

Note 5. The Authority reserves the right to order any vessel to vacate a berth in the following circumstances:

(a) Idle vessel.
(b) Poor performance in terms of cargo handling.
(c) Berth required by the Authority for any reason.

Note 6. Vessels other than country craft berthed at Marginal Wharf for convenience of the Port will be subject to rates as applicable to them otherwise.

Note 7. If a vessel has more than one GRT indicated in the Registration Certificate then the higher tonnage will be considered for levying of the above charges.

Note 8. For the purpose of charging the above charges, the deck cargo in measurement tonnes shall be added to the GRT of the vessel except fully cellular container vessel.

Note 9. Berth fee at refit or service jetty or any other small jetty shall be charged @ US$ 50.00 per day or part thereof.

Note 10. A vessel berthed alongside other vessel shall be charged 50% of the rates otherwise applicable.
Note 11. If having completed loading or unloading, a vessel fails to leave the Marginal Wharf at the scheduled sailing time, the vessel will be charged in addition to the berth fees as per this clause, a sum not exceeding US $413.00 per day or part thereof for the period the vessel remains at the berth, commencing twelve hours after the time of the original scheduled sailing time unless at the convenience of the port or tidal conditions not favourable for sailing.

Note 12. In the event of any vessel lying alongside any wharf allocated by the Authority exclusively for ship repairs not complying and refusing to leave the wharf, after a period of two months and on the expiry of notice served by the Director (Marine Operations) or any other Authorised Officer, the said vessel will become liable for payment of berth fees as per note 11. This charge will also apply to vessels berthed alongside another vessel on the wharf.

Note 13. The berth fees, in respect of Foreign Men of War calling at the Port on goodwill or courtesy visit, will be exempted, in exceptional cases, by Port Qasim Authority only when substantiated by an application from the concerned Government or Embassy to the Government of Pakistan and agreed to and recommended by the Ministry of Defence to Port Qasim Authority. In case of vessels belonging to Foreign State calling at the Port on goodwill or courtesy visit, the berth fees will be exempted subject to an application made by the host Department of Government of Pakistan.

Note 14. All ships and floating craft including tugs, dredgers, survey vessels and other specialized craft shall be allowed 10% reduction in berth fee when berthed for the purpose of repair and maintenance.

Note 15. All ocean going vessels under Pakistan Flag will be charged 75% of the charges mentioned in this clause.

Note 16. A concession of 25% will be extended to foreign flag vessels carrying at least 80% Pakistani compliment on board.

Note 17. Berth fee on vessels calling at private terminals shall be charged by the Terminal Operators as per respective Implementation Agreements.

SCALE 'B' MOORING CHARGES

0403. General: These charges apply to vessels at fixed or swinging moorings in the Harbour and are levied as per 0404.

0404. Rates:

(a) Charges for the use of moorings in the stream fixed or swinging. US $0.04 per GRT per day or part thereof subject to a minimum of US $155.00 per day or part thereof.

(b) Charges for the use of mooring in the stream fixed or swinging by the barges. US $10.00 per day per barge.
(c) Plying charges to and from Outer Anchorage for the use of channel by the barges. US $ 51.00 per barge per trip.

General Notes:

Note 1. At the discretion of the Authority, vessels, making application beforehand, may be permitted to lie at moorings, for reasons deemed sufficient by the Authority, on payment of 50 percent of mooring charges. This rate will apply to vessels with over 30 days stay at moorings.

Note 2. Vessels transferred from wharves to moorings or vice versa will be charged the higher of the two rates for the day of transfer.

Note 3. Mooring fee will start from the hour the vessel is moored at the berth and finish at the hour when the vessel is unmoored. For this purpose of levying mooring fee, the part of an hour shall be rounded off to the next higher hour.

Note 4.
