13:00-14:00 *Lunch*

14:00-15:00 **Dangerous cargoes**

15:00-15:15 *Break*

15:15-16:15 **Assessment for all participants:**

The assessment is an open book test, aimed at demonstrating the understanding of the subject of the Masterclass. For the purpose of improving the learning experience, the assessment will test the participant's ability to interpret, think critically and present an organized and well written answer. All papers will be marked and each participant will receive a certificate based on the result.

Trainers

Richard Williams

Richard Williams was a partner with Ince & Co for 25 years and was chairman of the firm's dry shipping business group specialising in carriage of goods, charter parties and P&I issues. He was regularly consulted both by private clients and also by United Nations agencies and other international bodies in relation to industry-wide issues. He is the author of numerous articles on shipping law and is co-author of the standard textbook "Limitation of Liability for Maritime Claims" published by Lloyds of London Press (4th edition 2005). He is now a consultant to Ince & Co and a visiting professor, teaching maritime law at Swansea University.

Baris Soyer

Professor Soyer is the Director of the Institute of International Shipping and Trade Law at Swansea University (www.swansea.ac.uk/law/istl). He is a member of the British Maritime Law Association and British Insurance Law Association. He is the author of Warranties in Marine Insurance published by Cavendish Publishing (2001), Marine Insurance Fraud published by Informa Publishing and of an extensive list of journal articles published in elite journals such as Lloyd's Maritime and Commercial Law Quarterly, Journal of Business Law, Cambridge Law Journal, Edinburgh Law Review, Law Quarterly Review, Torts Law Journal and Journal of Contract Law. He sits on the editorial boards of the Journal of International Maritime Law, Shipping and Trade Law and editorial committee of the Lloyd's Maritime and Commercial Law Quarterly (International Maritime and Commercial Law Yearbook). He currently teaches Admiralty Law, Charter parties: Law and Practice and Marine Insurance on the LLM Programme, and is the Director of Shipping and Trade LLM programmes at Swansea.

Organiser

Ayako Odashima

Ayako is Manager in BIMCO's Training department, and is responsible for marketing and implementation of BIMCO's training courses worldwide. Prior to joining BIMCO in 2015, Ayako has worked for various international organizations, including UNICEF, FAO, WFP and UNOPS, and has been responsible for large-scale emergency logistics and coordinated training programs on humanitarian logistics and supply chain management in Asia, Africa, Europe and in the Middle East. Ayako holds a MSc in International Relations from London School of Economics and BA from Boston University.
