Expert speakers:

Stephen Mackin

Stephen is a partner at Clyde & Co. He specialises in shipping and energy related issues, particularly those arising from the carriage of oil, gas and LNG by sea involving charter parties and bills of lading. His areas of expertise are oil, gas and LNG tanker related issues including disputes arising from oil shortage, cargo contamination, unsafe port/berth disputes and market loss claims.

He works for a wide entirely international client base of shipowners, charterers, insurers and cargo owners. Stephen has a first class B.Sc (Hons) Degree in Maritime Studies and before qualifying as a solicitor, he was a navigating officer with Shell Tankers (UK) Limited. Stephen has practical experience of the operation of VLCC's, Product Tankers, LNG Tankers and Bulk carriers. Stephen is an experienced BIMCO trainer.

Jessica Maitra

Jessica is a Partner in Clyde & Co's Marine and International Trade department. She has an international practice with an emphasis on shipping, trade and insurance work.

Jessica is an experienced BIMCO trainer. At the BIMCO courses, she is drawing on her significant experiences advising clients on both commercial and contentious matters. From a disputes perspective she works on cases in the English Courts and in LMAA and other arbitrations. She also advises on contracts and transactions in the marine and insurance sectors.

Jessica regularly advises on disputes and commercial aspects of shipping contracts, including charter parties, bills of lading, shipbuilding contracts and ship management agreements. Jessica has a wealth of experience in cases concerning liquid, gas and dry cargoes, but has particular experience of energy shipping and tanker contracts and claims. Her clients include shipowners, charterers, ship managers, oil majors and other energy companies, traders and their insurers/reinsurers. Jessica is listed by Legal 500 for shipping.
