

MASTERCLASS
LEADERSHIP IN SHIPPING

Copenhagen
13-15 April 2026

In a unique cooperation between BIMCO and the CBS Blue MBA Association, we present a leadership learning experience taught by expert speakers and senior shipping executives, ensuring that participants benefit from real-world insights and best practices in the international maritime transport sector.

DAY 1

Leadership style and self-leadership

09:00-09:15	Welcome and introduction by BIMCO and CBS
	<i>During the leadership module, we will focus on the importance of leading with self-awareness. As preparation, you will be asked to complete a personality assessment. The assessment offers insights into what drives you at work and how others perceive you. Your results will be used throughout the day as a reference point for your ongoing development as a leader.</i>

Started career as an energy, shipping and raw-material trader/bioenergy developer following a career with within finance and sourcing of R&D services in the pharma industry. Currently, employed as Vice President, Strategy, Portfolio Management and Analytics in a top tier global pharmaceutical company. Educational track-record: eMBA in Shipping & Logistics Copenhagen University, MSc studies from Copenhagen University and Oxford University. Serve on Boards and advisory committees in United Kingdom and Denmark.

Jesper Klit

Jesper Klit is one of the most popular and inspiring European lecturers in communication and leadership. He is the CEO of Jesper Klit & Partners and has previously worked at Weekendavisen, TV2, and Nordisk Film TV, where he served as CEO for six years.

He specialises in developing personal communication and impact, media coaching, and business storytelling, and advises companies and leaders on personal and strategic communication. Among Jesper Klit's clients are several Fortune 500 companies.

Lotte G. Lundberg

Lotte G. Lundberg is Managing Director of The Danish Maritime Fund and is also acting as board member and chair in five companies in the international maritime sector. She has over 40 years' experience in maritime, primarily from The Maersk Group, Maersk Broker and 15 board seats.

Peder Gellert Pedersen

Peder Gellert Pedersen is a seasoned maritime executive with more than four decades of leadership experience in international shipping, ferry operations, and logistics. From 2010 to 2022, he served as Executive Vice President and head of DFDS' Ferry Division, overseeing 26 routes, 64 vessels, and more than 6,000 employees across Europe. Under his leadership, the division delivered strong, sustained growth and advanced major initiatives in fleet management, sustainability, and operational digitization.

In addition to his extensive executive career, Peder has led DFDS' Technical and Sustainable Fleet departments, driving decarbonization strategies, newbuild projects, and large-scale vessel upgrades.

Today, he works as an independent investor, advisor, and board member, holding positions in companies across Denmark, Sweden, France, and the UK. He is educated as a licensed shipbroker and has completed executive programmes at IMD Lausanne and Copenhagen Business School.

Peder brings deep strategic insight into maritime operations, transformation, and leadership.

Irene Rosberg

Irene Rosberg is the Director of the Executive MBA in Shipping and Logistics (The Blue MBA) at Copenhagen Business School (CBS), Europe's leading institution of its kind. From the beginning, she has been responsible for the design, development and coordination of The Blue MBA. On behalf of CBS, she has a fundamental role in building global relationships and networks within the maritime industry. She also promotes research identifying challenges and future issues for the maritime industry as a whole. She is a member of many international boards and committees. Based on her extensive international network and experience, she has been entrusted with major roles in varied maritime-related activities and speaks at leading maritime events. From 2005 to 2009 Irene was Director of the DBA (Doctor of Business Administration) programme. She is involved in several maritime-related research undertakings and research-based conferences where she draws on expertise from her wide maritime connections, both in terms of academic and industry input. Since 2013 she has been an evaluator for the Association of MBAs (AMBA), which is described as representing "the highest standard of achievement in postgraduate business education." In 2014 joined the Board of Advisors for the Panama Maritime. Since 2017 she has been a member of an EU expert group for the motorways of the seas. She is also the Director for the Blue Board Leadership Programme which was established in 2022. She is a Member of the Executive Offshore Wind MBA Programme at the Gdynia Maritime University, and a member of the MBA Industry Advisory Board for the School of Management in the Faculty of Management, Law and Social Sciences at the University of Bradford (UK).

Christian Hoppe

Christian is BIMCO's Head of Training. He is a lawyer and graduated from the University of Copenhagen with a Master's degree in 2001 and an LL.M. with Distinction from the University of Southampton in 2004. He worked at the Danish Maritime Authority from 2001 until joining the European Commission's Directorate-General for Maritime Transport and Energy in 2005. Christian has been with BIMCO since 2009, being the General Counsel from 2016 to 2025, representing the association at various international meetings and managing a number of contracts and clauses related projects. Christian was seconded to Danish law firm Gorrissen Federspiel from 2017 to 2018 and was admitted to the Danish Bar in February 2019 (practice certificate deposited). From 2022 to 2023, he worked out of BIMCO's Singapore office whilst being part-time seconded to BW Group.
